2012-2014

Aalto University School  
of Electrical Engineering  
Bioinformation Technology  
BSc degree programme

2008-2011

Etelä-Tapiolan lukio  
Upper Secondary School

WORKING  
EXPERIENCE

2012 -  
(ongoing)

Graphic design, web design  
and illustration work as a  
freelancer and as a part  
of the GRMMXI collective.  
Clients include eg. Design  
Museum Helsinki, Baltic  
Circle International Theatre  
Festival, Otava, University of  
Helsinki, Aalto University,  
Astra magazine etc.

3 / 2015 -  
7 / 2015

Internship at brand design  
agency Werklig. As a graphic  
design intern I participated  
in the design and execution  
of multiple solutions for  
the company's customers. My  
work included for example  
package design, publication  
design, type design and web  
design. See [www.werklig.com](http://www.werklig.com).

1/2

5 / 2014 -  
8 / 2014

Summer job at Planmeca,  
a company specialized in  
medical imaging. My task  
was to improve the internal  
communication and training  
practices of the company, and  
to produce graphic material  
for those needs. For instance,  
I designed and executed an  
iPad application for their  
in-house training process.
